Report of Principal and School Improvement Council

Ambler is a K4-grade 5 school nestled in the foothills of the Blue Ridge Mountains. We served 250 students in the 2012-2013 year. The school's mission statement summarizes our commitment to our students: "Ambler Elementary School, committed to academic excellence, will provide a strong foundation for all students by ensuring a safe, nurturing environment where staff, family, and community work together to emphasize relevant and challenging learning experiences. This has been another successful year at Ambler. Our students performed well academically and were engaged in several service learning projects in the community to help improve the citizenship of our students. We believe that Ambler is the best kept secret in our district. We continued our K4 half-day program to help serve 20 children and help prepare them for K5. We also provided a KinderCare program in the mornings for those parents of K4 children that were interested. We continued our Wildcat Den Afterschool Program from 2:30-5:30 P.M. We continued our Wildcat Citizens Recycling Program through the leadership of Tina Kelly, our guidance counselor. We continued the use of incentive tags to help praise and encourage our children. Ambler received the Palmetto Gold Award from the State Department of Education for the Absolute Rating and a Perfect Score of 100 (A+) based on PASS Test Scores. Jackie Chaka was selected as our Teacher of the Year. Wanda James was selected as our Support Staff Person of the Year. Kathy Gilbert was selected as our Volunteer of the Year. ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
